

**26-29 AUGUST 2019**

**NEWCASTLE, NSW**

<https://www.nswweedsconf.org.au/>

Not long now for the NSW Biennial Weeds Conference which is in its 20th year. Since the Society has taken over the organising of this Conference we have received a record number of Award nominations for the Buerckner, Stephenson and the NSW Weed Industry Award so it should be a good night at the Conference Dinner on Wednesday 28th August.

The Organising Committee from the Hunter Regional Weeds have worked tirelessly to bring a great conference to our members and fellow weed officers from around the State. Three of the four trips have been booked out and not many spaces are left for the last field trip.

The latest adventure that the Hunter Regional Weeds have organised on our behalf is to run a photo competition. Photo competition has two subject topics which are "Weed Management" and "Weed Identification".

### Weed Management

One or two photos which explains the management of weeds in any landscape. Landscapes do not have to be in a 'natural area' to be considered for inclusion in

this competition. Photographs, which capture the abilities of weeds that grow in unusual areas, will qualify.

### Weed Identification

A group of three to five photos that clearly show the identification of a weed. Each group should be a minimum of three photos which includes one photo of entire weed, one photo of the leaf and one photo of the flower, or other distinct identifying feature of the plant.

### Who may enter?

The contest is open to Conference delegates only.

### Closing Date

Submissions start on the 1st June 2019 and will close on the 15th August 2019

Further details on the Conference website.

2017 Winner for Weed Management -  
"Alligator Weed Inspections"  
Lee Amidy

2017 Winner for Weed Identification -  
"Frogbit" Kim Hignell

**2019 MEMBERSHIP FEES  
ARE NOW OVERDUE**
