

Society Medal

Nominations Extended - New closing date 30 September 2018

The Society are looking for nominations for the "The Weed Society of New South Wales Medal for Excellence in Weed Management" for 2018.

The Society provides a Medal for Excellence periodically to recognise the sustained and influential contributions made by an individual to weed management in New South Wales.

Selection Criteria

The Society wishes to recognise outstanding contributions to weed management in New South Wales through the awarding of a Medal.

1. The Medal shall be known as "The Weed Society of New South Wales Medal for Excellence in Weed Management".
2. The Medal shall be a prestigious Award and, on average, shall be awarded each year.
3. The Award shall be announced by the President of the Society at the Annual General Meeting/Annual Dinner (or other special event).
4. The Award shall be an inscribed Medal plus a framed Citation signed by the President.
5. The award of Medals shall be administered by an Awards Committee of the Society.
6. The Awards Committee shall consist of the President (ex officio) and at least two other persons appointed by the Executive Committee, generally at the Annual General Meeting. Where possible, the Immediate-past President should be one of the appointees to the sub-committee.
7. The Awards Committee shall call for nominations from Society members with a closing date of 30 August each year. (extended to 30 September 2018)
8. Nominations will be prepared in confidence and

treated confidentially by the Awards Committee.

9. The Awards Committee will consider the nominations and, after deliberation, inform the executive committee of the successful nominees.
10. The Executive Committee will consider the recommendations of the Awards Committee and make the final decision.
11. The Award is open to any member of the Weed Society of New South Wales showing appropriate excellence.
12. For the purpose of the Medal, "an outstanding contribution to weed management in New South Wales" shall be:
 - a. A major contribution to the technology or practice of weed management.
 - b. The contribution is recognised by peers as exemplary.
 - c. An impact on the work of others.
 - d. Sustained over a substantial period.
 - e. The contribution can be based across several categories such as research, teaching, administration, regulation, extension, commercial, or implementation of programs.

Note: These criteria are to assist the focus of the nominating member/s and the Awards Committee.

To nominate, write a brief outline of the nominee to the reasons why this person should be awarded the Medal of Excellence in Weed Management.
