Council of Australasian Weeds Council Travel Grants Applications close 1 March 2020

Australasian Weeds Conference Travel Award

CAWS have the Australasian Weeds Conference Travel Award, up to four each worth \$1000, to help people attend our conference being held this year in Adelaide in late October. This is mainly for people who work with weeds who might be unable to attend the conference without this financial assistance.

For regulations and application form, see: http://caws.org.nz/old-site/awc_travel_award.php

For more information about the conference, see: <https://wmssa.org.au/22awc/>

Student Travel Award Grant

Another travel award CAWS have available is for University students who are currently studying weeds or have just finished their studies. This award has a value of up to \$3,000. The travel doesn't have to be to the Australasian Weeds Conference, though students attending that conference are certainly welcome to apply for this award.

Further information can be seen at: http://caws.org.nz/old-site/student_travel_award.php

Scientists Travel Award

The Scientists Travel Award is for people who have commenced careers as weed scientists within the last 5 years, has a value of up to \$2,000 and could be either for travelling to the Australasian Weeds Conference or to some other national or international conference or for a short overseas study tour.

Further information can be seen at: http://caws.org.nz/old-site/early_career_travel_award.php

A Good Weed

ISSUE #86: Summer/Autumn 2020

The Editor would love members to provide some material for the summer/autumn edition of our newsletter.

Contributions to *A Good Weed* is a great way to show a local issue to a state-wide audience.

Please send your material to the editor at editor@nswweedsoc.org.au by the deadline, close of business on 21 February 2020.

PROUD SPONSORS OF JUST A LITTLE WEED!
