## News

Oh deer , what a year.... This year has not been a normal year for any of us with covid 19, isolation and working from home for some while others had to continue on without contact.

As for the Society it has been a quiet year with the loss of another editor for the newsletter 'A Good Weed' which has cost the Society of three newsletters this year. Our apologies to all members. Should you be interested in being an editor of our wonderful newsletter or even to help out as the assistant editor, please contact the secretary and let her know.

The Society AGM will be on the 5 February 2021 and the information will be sent out to all members closer to the date. This AGM and Society meeting will be a video conference call through Microsoft Teams. The committee look forward to members joining in and if you would love to become a committee member , please volunteer. Without volunteers, the Society cannot function.

Lastly I would like to personally like to wish everyone a better, happier year in 2021. Your president, Kim
